RECOTECHNOLOGY / MADRID-SPAIN: GAME DESIGNER

JULY 2016 - OCTOBER 2017   

Game Designer at **Numantia**, a turn based strategy game based on historical events. Combat mechanics, units and characters design, events and economy management, level design, testing and balance.

EDUCATION

U-TAD / MADRID-SPAIN

GAME DESIGNER & INTERACTIVE CONTENT DEGREE

SEPTEMBER 2013 - JULY 2017

Game Development, Game Design, Game Theories, Mechanics, 2d & 3d Art, Narrative Design, User Experience. Graduated with Honors.

PERSONAL PROJECTS

WIZARDS COLLEGE / BOARD GAME

Wizards College is a game where players take the role of a student of the hidden arts. The idea of the game is giving the player a wide variety of options to create their own and spectacular spells.

UDEMY COURSE / UNREAL 5 : HOW TO MAKE AN JRPG

I like to keep myself learning, specially in areas I think I can improve. I use web courses to empower my skills.
